## Meet Flower: A Beautiful Wonderkitty!

Flower is one very loving mommy who is a wonderkitty - she has saved many other kittens by being a surrogate mama to them - she is a lifesaver! Our beautiful Flower has been a foster momma and surrogate to over 5 different litters of kittens. With each litter she has embraced motherhood, gently cooing and loving each helpless infant.

Flower is very special, she is sweet, soft and wonderful to be around. She loves attention and being petted and will purr and purr. She is very easy to please.

Now most of the babies have been adopted, and Flower needs a home of her own! She would LOVE to go home with one of her surrogate babies. If you're looking for a sweet and loving girl, please give this momma a chance. She will be a wonderful forever companion!

The requested adoption fee for Flower is \$50. Flower is spayed, has received her distemper shots, has tested negative for Feline Leukemia and FIV, and has been de-wormed. Please email [orphananimalrescue@yahoo.com](mailto:orphananimalrescue@yahoo.com) to set up a time to meet Flower.
