## Meet Mona Lisa: Sweetie who would love to love you!

Mona Lisa is absolutely one-of-a-kind GORGEOUS! She has the most unique coloring; she is mostly calico with tabby coloring and beautiful stripes...and the cutest little white paws! This little girl is super sweet and affectionate and just **adores attention and being petted**. She'll follow you wherever you go and beg to be petted, and just wants to love you. She is very playful and loves her kitty toys. She is very silly and her funny antics are very entertaining!

Mona Lisa had a rough start in life; she had a broken jaw that healed funny so she has the cutest little smirk on her face when she looks up at you, which you can see in her picture. She is also very scared of dogs and needs a home where there are no dogs. She deserves a wonderful home and all the love in the world! She is also already **spayed**. This wonderful little girl would love to love you for years to come!

To set up a time to meet sweet Mona, please contact foster mom Emily at [orphananimalrescue@yahoo.com](mailto:orphananimalrescue@yahoo.com) or 920-810-1388. The requested adoption fee for Mona Lisa is \$50. She has been spayed, has received her distemper shots, has tested negative for Feline Leukemia and FIV, and has been de-wormed. She would make a wonderful lifelong companion.
