Meet Paprika: A Sweet, Playful Little Girl!

If you are looking for an AFFECTIONATE little girl, Paprika is the one! She is super affectionate and very loving, she just follows you around and begs to be petted and wants to **snuggle up in your lap and purr**. She has the most beautiful calico coloring, she has the cutest little face and is mostly white.

She is already **spayed** and is fine with other kitties. This adorable, loving little girl would love to be your true companion for years to come!

The requested adoption fee for Paprika is \$50. Paprika is spayed, has received her distemper shots, has tested negative for Feline Leukemia and FIV, and has been de-wormed. She would make a wonderful lifelong companion.
