

## Meet Ruby: What a Gorgeous Girl!

Hello, I am an 8 yr old spayed female Siamese girl who is a beautiful sweetheart. I am very dainty - weighing in at just about 5 lbs. I have all of my claws and do very well just to use the scratching post provided. I also just get them cut every few weeks and do great with that.

I am looking for a new home as I am really just not happy in my current home. My mom and dad **REALLY LOVE** me but they know that I need a quieter home. I currently live with 6 dogs and 5 other cats and I just don't like it. I am looking for somewhere that will love me either all by myself or with just one or two other animals that won't really pester me. I do great with all people... I just take a little bit to get to know my routine and feel comfortable with new people. I have lived with my current family for 5 years and they can give you all the details on me.

I would appreciate it if whoever adopted me would keep my name because I know it very well and will respond to it and talk to you like crazy!  
I LOVE to **snuggle** and be pet - especially just before bed... and I think playing with string and laser pointers are the greatest things around! I chase them like mad!!!  
Soft blankets and pillows are the best things to lounge around on and I would appreciate it if you would leave a few around for me to snuggle in.

My mom is asking for an adoption fee of \$65 which will be donated to Orphan Animal Rescue of the Fox Valley. If you are interested in taking me home forever, please email my mom Laura at [animalnutzo@yahoo.com](mailto:animalnutzo@yahoo.com) or call her at (920) 265-0288  
Thanks, Ruby the Cat
